

July 23, 2009 - Annual Historical Society Picnic

The Town of Kiantone along with the Historical Society had held their 2nd annual picnic on July 23rd, 2009. The event had a substantial turn out in spite of the weather conditions, the festivities were brought inside the Community Building. There were all ages of Kiantone residents, past and present that had attended, even a few who had originally attended Kiantone School, when there were two classrooms held in that building. The Hot Dogs donated by the Kiantone Historical Society members were grilled outside by Councilman Ron Johnson and the Town Clerk, everyone who attended had brought a dish to pass, the food was excellent, a feast for all. The entertainment was provided by past resident and business owners, Peter and Leo Carlos, who held a sing-a-long at last year's picnic, they were asked to come back to provide the entertainment again, they came prepared and brought songbooks along for all to share for the sing-a-long.

The Town of Kiantone along with the Historical Society; were happy to host this event, hoping next year's activities will have better weather.
